ATHLETIC PERMIT CARD

NAME_____
(Last) (First)

DATE OF BIRTH_____ YEAR IN SCHOOL: 9 10 11 12

PARENTS PERMIT

My son/daughter has my permission to practice and compete in the interscholastic sports, and I also approve of my son/daughter abiding by all Illinois High School Association bylaws. In addition, we realize that such activity involves the potential for injury, which is inherent in all sports. We acknowledge that even with the best coaching, use of the most advanced protective equipment and strict observance of rules, injuries are still a possibility. On rare occasions these injuries can be severe.

EQUIPMENT/UNIFORM ISSUE

Every athlete is fully responsible for any uniforms or practice equipment issued to him/her, whether it is lost or stolen. All issued equipment and uniforms must be returned to MCHS at the conclusion of the season. Restitution for any lost items will be made at replacement cost and is due immediately at the conclusion of the season.

Athletic awards will be held if equipment is not turned in or if restitution is not made for lost equipment.

INSURANCE

Athletes are required to have proof of insurance before they can compete in any sport. Insurance can be in the form of school-time insurance, proof of family insurance coverage or military provided services. Proof of insurance must be on file before the athlete will be allowed to participate.

PHYSICALS

The IHSA and FMCHS require a yearly physical for all athletes. For incoming freshmen, their school physical covers all athletics. All physicals (including freshmen) must be on file before an individual will be allowed to go out for a sport. The physical is good for 395 days.

ELIGIBILITY

FMCHS conducts weekly grade checks as required by the IHSA. To remain eligible, an athlete must be passing five classes or 25 credit hours of work per week. The grade check is done on Monday of each week. If an athlete is not passing five classes or 25 credit hours, then he/she is declared ineligible from Monday to the next Monday. The athlete may continue to practice, but cannot participate in any interscholastic contest. The athlete will stay ineligible until he/she is again passing five classes or 25 credit hours.

EXTRA-CURRICULAR CODE OF CONDUCT

The extra-curricular code of conduct is cumulative beginning with the student and parents signing and continuing throughout the students' entire high school career. The procedures are in effect on and off campus throughout the **entire** calendar year, including weekends and summer and do not supersede, but are in addition to, Father McGivney school disciplinary procedures.

We, the athlete and parent(s) have read and had the opportunity to ask any question we may have had, and understand all elements of the Father McGivney Catholic High School ***Extra-Curricular Code of Conduct.*** Furthermore, as the parent I agree to support this code and the above items. As the athlete, I agree to comply with all sections of the code and the above items.
