

Dear Father McGivney Supporter:

Once again Father McGivney Catholic High School and the Bob Emig Foundation will come together to host its 8<sup>th</sup> annual Halloween 5K. As you may know, Father McGivney is a new Catholic high school located in Glen Carbon. Our students come from all over the Metro-East area including Edwardsville, Glen Carbon, Maryville, Collinsville, Highland, Belleville, O'Fallon, Staunton, Fairview Heights, Fairmont City, and Granite City.

This past year, we welcomed a group of 57 freshmen into the McGivney Family and graduated a great group of 25 students who were accepted into many schools including the University of Illinois, the University of Dayton, Marian University, Saint Louis University, and Benedictine College and were offered over \$6 million in scholarships. Our students were also busy spending time serving at many different locations in need, such as food pantries, hospitals, convents, and the Maryville YMCA. We are also excited to announce that we have over 65 incoming freshmen students to join our 125 sophomores through seniors and will be enjoying enrollment nearing the 200 student mark!

Preparations for the Halloween 5K are under way, as the event is right around the corner. **This fun-filled family event will be held on Saturday, October 28th, 2017 at 8am at Father McGivney Catholic High School.** The day consists of various family events including the 5K Run/Walk, a free Kid's Halloween Party with trick-or-treating, crafts, and food, drinks & music afterwards. Last year we had approximately 200 individuals participate in the event with many more family members and friends joining us for fellowship after the race.

Runners, walkers, and children of all ages will attend the race, coming from different parts of the Madison and St. Clair Counties, and also the St. Louis area. And as you hopefully know, one of the most important aspects of the 5K Run/Walk is our sponsors. Without you there would be no Father McGivney Catholic High School. Your support is crucial to the success of the event and to the school.

Thus, as our Marketing Team begins soliciting sponsorships for our event, we hope that you would consider partnering with us again this year to bring another joyful and faith-filled experience for our students. Every sponsor will receive entries into the event. Please see the Donation Opportunities page for a list of sponsorship levels. If interested, **please send in this completed form before Friday, October 7<sup>th</sup>** to be included on the t-shirts.

Sincerely,

Emily Joellenbeck  
Marketing & Development Director
